Central Florida Women Surfing – 2027 Team Tryouts

We're looking for our next group of team riders! 🌊🤙

Central Florida Women Surfing is putting together our 2027 Surf Team, and we're excited to welcome a new year of surfing, progression, competition, and good vibes!

For 2027, we're moving to **ONE team of approximately 10 members**. By keeping the team smaller, our goal is to offer a more personalized coaching experience, individual feedback, and more opportunities for each rider to work on their surfing and progress throughout the year.

This team is for women who love surfing, want to get better, are open to learning, and enjoy being part of a positive and supportive group. You don't have to be a professional surfer or an experienced competitor. What matters most to us is a good attitude, good vibes, a willingness to improve, and being excited to be part of the team!

❤️‍🔥WHAT WE'RE LOOKING FOR
More than anything, we want a group of women who are excited to surf, learn, push themselves, and support one another. We want positive attitudes, encouragement in and out of the water, good communication, and plenty of stoke!
Being part of the CFLWS Team means representing Central Florida Women Surfing at practices, contests, and events. We encourage our riders to support one another, share their experiences, tag CFLWS on social media, and help grow our local women's surfing community.
We are also continuing to work with sponsors to bring additional discounts and benefits to our team riders. More details will be shared as those partnerships are finalized.
We're looking forward to another awesome year and can't wait to see what this group accomplishes in 2027!

Questions? Send us a message or email cflwomensurfing@gmail.com.

Let's make 2027 a good one! 🤙🌊
